Jane E. Henney, M.D., Commissioner  
FDA  
5600 Fishers Lane Rm 14-71  
Rockville MD 20852

Dear Commissioner Henney:

I'm writing this to join other citizens/consumers who want to maintain choice in deciding between irradiated food and food which hasn't been irradiated. We can have this freedom only if there is good, easily-understood labelling. Please keep the labelling as it has been: this works for the public and it's the only fair thing.

Yours truly,

*Charlene Kirley*
